- There is a numbered fare board at the front of the bus, in which the fare price accrues as the bus continues on its route. The number on your ticket corresponds to the number on the fare board which lists the fare you must pay.
- Announcements will be made for each stop. Press the button next to the window to request the driver to stop. If you are Japanese impaired have your stop written in Japanese and show the driver as you get on the bus or do your best to let them know which stop you want to get off at as you start your journey.
- Pay as you exit the front of the bus. You may use 10, 50,100, 500 yen coins. Pay in exact change. There is a ¥1,000 change machine at the front of the bus.

Bus Schedule

Unfortunately there are no bus schedules printed in English. There is a bus route search at www.busnavi.co.jp available in English. The buses do not always stick to their allocated times, so please allow plenty of time for your travel. The different bus companies servicing Okinawa can run the same route. Please look for the bus number in the window of the bus to determine its destination, not the color of the bus.
