In 1997, a prefabricated community center building was completed by local residents, and community activities have been gaining momentum. Recently, apartment buildings and other structures have been built, and the population has been growing. It is a small, quiet neighborhood association surrounded by farmland on the outskirts of the village, commonly known as "Jōmichā."

平成9年に地域住民の手によってプレハブの公民館が完成し活動も活発化しつつあります。最近、マンション等が建てられ人口も増えています。通称「ジョーミーチャー」といわれる村周辺農地に囲まれたこじんまりとした閑静な自治会です
