

Join the Neighborhood Association (*Jichikai*)

自治会への加入は 安心安全なまちづくりの第一歩

As The First Step For a Safe And Secure Community

We are waiting for you to join us to create a livable town where children grow up healthy, and adults and the elderly gather together smiling and in good spirits.

Neighborhood Association (*Jichikai*) plays a lot of role in your daily life.

In recent years, with the increase in the number of nuclear families and dual-income households, people's ways of thinking have become more diverse, and human relationships in the community are becoming increasingly fragile.

When things in life cannot be solved alone or when help is needed, the community association is involved in a wide range of activities to solve problems in the community and to make the city a safe and comfortable place to live.

例えばこんな時…**For these situation:**

となりに住んでいる人が誰かわからないのはちょっと不安だな
