► Nature Observation of Edible Wild Plants

食べられる野草の自然観察会

Participants will walk around the park with an instructor
and observe edible spring wild plants and poisonous
plants. We will pass on their knowledge of wild plants
that have been eaten in Okinawa for centuries, and ex-
perience the park's nature, environment, and charms.
During the observation, we will prepare a handouts on
actual plants, explaining how they grow and their char-
acteristics, and at the same time allowing visitors to
experience them using all five senses.
