from twice a month to once per week.

**The schedule for the collections of cans,**

- Bulky trash
- Stoves
- Blankets
- Mattresses
- Metal dumbbells

*This no requirement for bulky trash disposal ticket.*

Examples of trash not considered bulky trash:

- Non-compostable trash
- Bury yourself
- Non-compostable trash
- Non-compostable trash

- Bags with no exceptions. Items and categories of non-compostable trash are considered non-compostable.

Any refuse that does not fit into the designated large-size trash bag is considered bulky trash.

---

**Designdated types of bulky refuse decrease.**

A new classification for trash is introduced.

- Fluroescent tubes are recyclable.
- Lighbters
- Mercury Thermometers
- Fluroescent lamps

bags when taken out.

items that contain mercury, such as fluroescent tubes and mercury thermometers, are categorized as harmful refuse. Place them in clear plastic bags with no exceptions.

Harmful refuse is added as a new category.

Check the table for the new collection days.

The new schedule will be in effect from April 2010.

Collection days for household refuse in all areas change.

**Newly revised rules are effective from April 2010.**

Where to take out
Collected only at designated locations.
- Places other than the designated collection spot in your residential area, including parks, are not trash collection sites. We do not mix with other objects keeping under 10 kg and place in a clear bag.

How to apply
A request by telephone is required (can be made for three pieces or more).

Call: Environment Section
938-5371 (Mon. through Fri. 9:00 a.m. to 7:00 p.m.)

How to separate/take out trash
- Tie in bundles of less than 10 kg.
- Each item is considered bulky trash even when they fit the designated trash bag - due to the danger of damaging the trash collection vehicle.

Call
Environment Section
For bulky trash collection
938-5371 (Mon. through Fri. 9:00 a.m. to 7:00 p.m.)

Contact the Environment Section for more information.
Tel: 939-1212 (extensions: 3223, 3226)

</table>

The collection of trash for military families is subject to charge and is provided by companies on the list.

**Self delivery**

Large quantities of trash from one household, generated from the process of moving, for instance, can be delivered directly to the Kurashiki Sanitation Facility Association or to the Okuwa Clean Kogen, exclusively for yard refuse. A request by telephone is required as shown below.

1. Separate the trash according to the designated procedures.
2. Apply for a trash delivery permit at the Environment Section. (Inform the office of the object to be delivered.)
3. Give the permit to the waste disposal facility when you deliver the trash there.

Environment Section, Sanitary Division Tel: 093-1212 (extensions 2223-2228)

---

**Designated Home Appliances Recycling Act**

The Designated Home Appliances Recycling Act stipulates the recycling of 34 home appliances.

- CRT-based televisions
- Liquid crystal display/laser television
- Washing machines
- Dryers
- Refrigerators
- Air-conditioners

Contact the retailer, either where the product was purchased or where its replacement will be purchased, and request disposal (fees apply).

---

**Recycling computers**

The Law for the Promotion of Effective Utilization of Resources stipulates that computers be recycled. They are not part of bulky trash.

- PCs with built-in LCDs
- Desktop PCs
- Laptop PCs
- PCs built-in with CRTs
