Last update: Jul. 23, 2021

New Coronavirus Infection Vaccination Certificate Issuance Procedures

Vaccination certificates (vaccine passports) are official proof of vaccination records, etc., for new coronavirus vaccines administered by each municipality based on the Immunization Law.

We will start accepting applications for vaccination certificates (vaccine passports) from Monday, July 26, 2021, [only for those who have received the new coronavirus vaccine and are planning to travel overseas.](#)

For the time being, vaccination certificates will be issued by mail after applications are received.

*The application should be made to the municipality that issued the vaccination coupon (usually the municipality where you have your resident card).

*In Japan, the Certificate of Vaccination for COVID-19(接種済証) or Vaccination Record (接種記録書) issued to those who have been vaccinated is proof of the fact of vaccination.

●For inquiries about vaccination certificates in general, please contact
Telephone number: 0120-761-770 (toll-free)

NOTE

We do not issue the certificate for the vaccinations which are administrated on U.S. base or overseas.
