

How To Take Out The Trash Is Changed After April 1, 2019

*"Okinawa City Trash Rules Handbook"(Japanese version) will be distributed with Okinawa City Newsletter April edition(Japanese), or you can get it at the information, Okinawa City Hall and Environmental Division (B2).

Yard refuse will be collected on Wednesdays as a resources waste.

The collectable quantity at a time will be up to 6 bags/bundles as a total.
NOTE: For more than 7 bags/bundles, you need to apply to get them collected.

Numbers for application: 098-938-5371 (Mon-Fri 8:30-17:15)

- ***DO NOT** put or tie with other than yard refuse otherwise it cannot be collected as resources.
- *You can put them within a 45L **clear bag** (in order to see inside).

Toxic Waste

*Batteries are considered as Toxic Waste (Alkaline and manganese batteries only).

Contact to the dealers how to dispose battery packs, charging type batteries, and button-type batteries.

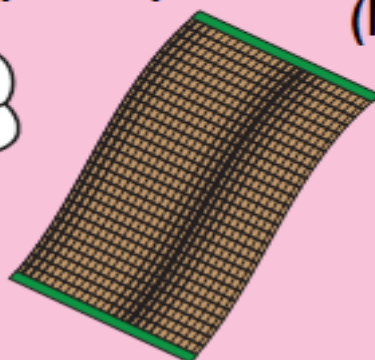

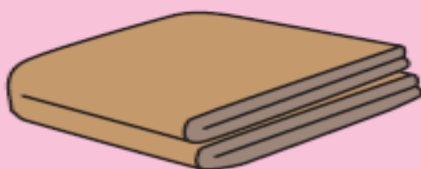

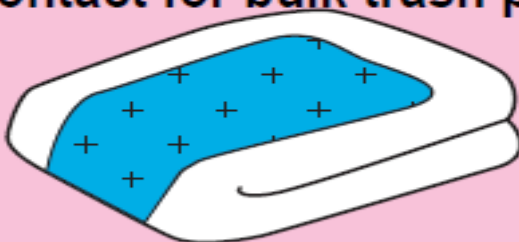

Bulk Trash

Japanese-style mattresses, comforters, and also rush mats are considered as bulk trash.

Contact for bulk trash pick-up: 098-938-5371

(Mon-Fri 8:30-17:15)

*If you can cut them up to 50cm, and fit in the designated trash bag, you can take it out as a burnable trash.
